Nothing adds more to the impact of your drapes than a stylish decorative rod. Available in a choice of colours.

Phoenix V decorative rods can help you achieve a look that suits your decor. There's the classic look of Polished Gold or the timeless feel of Antique Gold.

A choice of three finial designs provide you with the opportunity to create your own look. Phoenix V aluminium track can be cut to any desired length and can be styled with or without rings. Phoenix V is extremely versatile as it is designed for use on a variety of window types and widths, and can be used for windows measuring up to 6.4 metres.

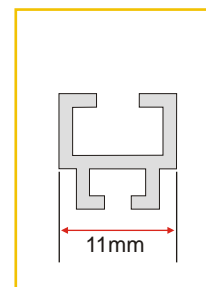

specifications

track profile

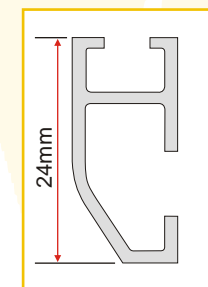

The Phoenix V Curtain Track is not a bendable track. You do however, have the flexibility of the Phoenix V Track as a single or double installation by either combining our Sheer Track or Styleline Tracks, you can choose either hand or cord drawn.

A Phoenix set includes; Track, gliders, finials and brackets. Cord Drawn sets are supplied with right hand cord and 1400mm drop unless otherwise specified. Corded sets all include a cord tidy to comply with state regulations. The three finial types are Regatta, Royale or the Victorian finial, in colours as listed below.
